Let Coastfields

Owner Sub-Letting Scheme

Let Coastfields

Our Owner Sub-Letting Scheme

As one of our holiday home Owners, you may have the opportunity to let your holiday home with us when you aren't using it, allowing you to offset some of the running costs with the income.

We've called our scheme '**Let Coastfields**', because quite simply, you Let Coastfields take **all the hard work out of letting your holiday home**, but stay in control of just when and how often you want us to offer your holiday home for let.

Let Coastfields is **Flexible, with no hidden charges**, we pay you 70% of our holiday tariff every time we let out your holiday home.

Our obligation to pay you the owner income shall not apply in relation to any period the park is closed (regardless of the reason for the closure).

Welcome to Let Coastfields, this guide provides all you need to know about how to get the most out of letting your holiday home with Coastfields Leisure.

What you can expect from Coastfields.

Letting your holiday home should be a **straightforward, enjoyable experience**. Our Let Coastfields team are on hand to support your letting journey every step of the way.

We **promote our holiday homes through TV advertising, email and website marketing, social media** and more to maximise your earning potential.

Our professional accommodation cleaners and checkers are **committed to rigorous cleaning standards**.

We review all holiday homes regularly and will always let you know if something is not quite right. The maintenance and repair team on park will **carry out most repairs to ensure minimal impact on your guests** (and your letting income).

You can relax knowing your holiday home is in safe hands.

Plus, we'll also:

- Aim to let your holiday home on all of the dates you provide to us
- Provide and clean linen for holiday guests
- Arrange and communicate all booking confirmations and pre-arrival information to the guests
- Deal with all payments from holiday guests
- Take care of check-in and check-out, plus liaise with the holiday guests during their stay
- Clean your holiday home after every Let Coastfields stay and replace any gas bottles or inventory as needed^

Please note, the level of income under our Let Coastfields scheme is not guaranteed. The more dates you make your holiday home available to let, the higher your Income potential.
^Charges apply.

Top Tip...
School holiday dates are the most popular for holiday guests so will usually give you the highest earnings.

Let Coastfields

The current demand for staycations is your chance to earn some extra income from your holiday home. Let Coastfields takes the hassle out of letting.

With no hidden charges, we pay you 70% of our holiday tariff every time we let out your holiday home.

Simply let us know when you are not using your holiday home and we will aim to let it out to holidaymakers. We'll take care of everything and your income earned is the tariff paid to us by the guest, minus our 30% commission**.

The amount you earn depends on:

- The age and size of your holiday home
- The facilities in your holiday home
- How many weeks you let out your holiday home
- The dates you let out your holiday home.

You'll be making an income from the lets we arrange for you, but you'll still be responsible for all running costs and will need to cover things like gas and electricity and the cost of breakages or replacements as required

**Coastfields Leisure Ltd does not guarantee a minimum income as part of our Let Coastfields scheme. The holiday tariff is the amount paid to us by the holiday guest staying in your holiday home excluding extras such as fishing permits, cots, highchairs if we have provided these (which are retained by Coastfields Leisure). †Our obligation to pay you the Income shall not apply in relation to any period the park is closed (regardless of the reason for the closure).

A Step by Step Guide to Let Coastfields

- 1** Decide when you want to use your holiday home and complete the 2023 Let Coastfields Agreement Form. As a minimum you must:

 - Provide us with at least 10 full weeks
 - 5 of these weeks must be in peak
 - 3 of those peak weeks must be in the summer

Peak dates can be found on the 2023 Let Coastfields Agreement Form.
- 2** Complete the 2023 Owners Holiday Home Sign-Up Form so your Let Coastfields Advisor can grade your holiday home and show you your earning potential.
- 3** Return your completed forms to us via: Email: letcoastfields@coastfields.co.uk or by post: Let Coastfields, Bookings Team, North Shore Holiday Park, Elmhurst Avenue, Skegness PE25 1SL.
- 4** Subject to final checks*, we'll then grade your holiday home, load your Owner dates onto our booking system and start selling for you!

Remember
 The more dates you give us, the more you can potentially earn!

*We will notify you of any works that might be required in order to be accepted into the Let Coastfields scheme.

How you get paid

Your letting income is added to your Owner Account based on the below schedule:

On or before 30th November 2023

We will credit your Owner Account for any booking with an arrival date before 14th November 2023 and we will offset any outstanding rates, utilities and the 2024 pitch fee against your Owner Income**.

If after debiting your 2024 pitch fee, and paying any other debt owed to us on your Owner Account, you are in credit, then we will pay you the balance or write to you with payment options for the amount due if there is an amount owed to us.

You may find that your income covers your pitch fee, but of course, it does depend on the number of weeks you agree to let your holiday home for and when.

**Unless you have notified us that you are terminating your pitch license agreement and will be removing your holiday home from the park before the start of the 2023 season.

What we need from you

The comfort and safety of our guests is our top priority so there's a few things that the team on park will need from you at least seven days before your first let:

- Three sets of keys (required at least four weeks before first let)
- Removal of all of your personal items
- The correct holiday home inventory as listed within this pack
- An initial deep clean of your holiday home before your first let* (but we will clean your holiday home after every Let Coastfields booking). This will be at a charge of £150.
- A valid TV license, three yearly electrical certificates and an annual gas test annual gas test.
- A copy of your insurance certificate with £5m

third party liability cover for the duration of the letting period

- Confirmation that all electrical appliances have had a Portable Appliance Test
- A working fire extinguisher (inspected annually), smoke detector and carbon monoxide detector (within expiry date)
- A connecting gas hose (and gas pig tails) that is within its expiry date/within five years from the date printed on the hose
- Confirmation that all shower heads in your holiday home have been sterilised - this must be done at least annually.

All testing should be completed by a suitably qualified and competent contractor. Your park team will be happy to arrange this for you.

The earlier you sign up, the more time it gives us to generate bookings for your holiday home...

*If we think a deep clean of your holiday home is needed before peak season we will complete this for a price of £150 which will be charged to your Owner Account and should be paid in accordance with our payment terms.

Insuring your holiday home

At Coastfields Leisure Ltd we always do our utmost to look after our valued Owners and their holiday homes. Under the terms of the Pitch License Agreement, all Owners are required to have third party liability insurance for their holiday home to the value of £5million. Insurance should not only be seen as complying with the agreement, but also providing you with the peace of mind to enjoy your holiday home.

It is a condition of letting that your holiday home is insured. If your holiday home becomes uninsured or we do not have evidence of your insurance we will move bookings from your holiday home and remove it from Let Coastfields. Further information is set out in the terms and conditions within this pack.

It is a good idea to check that your insurance provides cover for loss or damage by a hirer while others are using your holiday home. If you ensure your holiday home through the insurance scheme offered by Coastfields Leisure Ltd we are able to provide you with this cover as part of your policy.

The insurance scheme offered by Coastfields Leisure Ltd includes cover for loss or damage caused by deliberate acts by a hirer subject to an excess of £350 per claim.

The scheme also provides cover for accidental damage, subject to a £50 excess. Plus cover for both damage and theft whilst your unit is let out and the park is operating an Insurer approved contactless check-in process. You can obtain a copy of the policy document for the insurance scheme, which provides full details of the cover, from your Let Coastfields Advisor. You are able to make arrangements for your own insurance if you wish, as long as it meets the minimum cover required under your pitch license agreement. Full details of your insurance cover can be found in the schedule of insurance. If you insure through the scheme offered by Coastfields Leisure Ltd, we can provide a copy on request.

All details are correct at April 2023.

Coastfields Leisure Limited is an Appointed Representative of Arthur J. Gallagher Insurance Brokers Limited, which is authorized and regulated by the Financial Conduct Authority (Firm Reference Number: 311786). Register office: Spectrum Building, 7th Floor, 55 Blythswood Street, Glasgow G2 7AT. Registered in Scotland. Company Number SC108909.

We fully understand that some people find insurance somewhat confusing so you may find the following useful. These are some of the questions that we are frequently asked:

Can I arrange cover for 'loss or damage by a hirer' through Coastfields Leisure Ltd if I am not insured by the Coastfields Leisure Ltd insurance scheme?

Unfortunately, no you cannot. This cover is only part of the insurance scheme and has been specifically negotiated for Coastfields Leisure Ltd.

What is the cost?

The cost of the insurance policy varies on the size

and age of your holiday home, whether you opt for Market Value or New for Old insurance and any additional contents cover you may opt for.

What is the excess?

The Coastfields Leisure Ltd insurance scheme has a general policy excess of £50 per claim. Claims for malicious damage by a hirer carry an excess of £350 per claim.

We hope we have provided all the details you require regarding insurance. However, if you are unsure or have any further questions, please speak with the team on your park.

Let Coastfields Scheme Terms and Conditions

When you sign the 2023 Let Coastfields Agreement Form you agree to join the Let Coastfields scheme and comply with these terms and conditions. The 2023 Let Coastfields Agreement Form together with these terms and conditions make up your agreement with us.

Meanings of words

In this Agreement:

- "Bookings"** means bookings by our guests for your Holiday Home.
- "Dates"** means the 3, 4 or 7 day breaks shown on the 2023 Let Coastfields Agreement Form, which you agree to make available to us.
- "Holiday Home"** means your holiday home which is included in the Scheme.
- "Holiday Home Tariff"** means the amount paid to us in relation to accommodation charges by our guests to stay in your Holiday Home (and excludes any costs that are extras, including but not limited to, priority arrival, fishing permits, cots, highchairs. The cost of such extras is retained by us). This amount is inclusive of VAT.
- "Letting Period"** means the period of all the Dates during your Park's 2023 holiday season.
- "Owner Account"** means your account with us which shows all amounts payable from you to us and from us to you whether under this agreement, the terms of your pitch license agreement or otherwise.
- "Owner Hire Dates"** means the dates you reserve the Holiday Home for your use as indicated on the 2023 Let Coastfields Agreement Form, or as agreed with us in writing in accordance with these terms and conditions.
- "Owner Income"** means the amount we will pay you under this agreement. This will be 70% of the Holiday Home Tariff.
- "Park"** means the Coastfields Leisure Ltd holiday park your Holiday Home is sited on.
- "Satisfactory Condition"** means compliant with the terms of this agreement, including but not limited to complying with all relevant safety checks, and in a condition suitable for occupation by our guests. Whether or not your Holiday Home is in Satisfactory Condition is determined by us in our absolute discretion.
- "Scheme"** means the Let Coastfields scheme.
- "we", "us" or "our"** means Coastfields Leisure Limited (company number 01087806) whose registered office is Bulley Davey 4 Cyrus Way, Cygnet Park, Hampton, Peterborough PE7 8HP.
- "you" or "your"** means you, the Holiday Home owner(s) as set out on the 2023 Let Coastfields Agreement Form.

Agreement to make your Holiday Home available to us to hire and what we will pay you

You agree to make your Holiday Home available to us for the Letting Period so that we can hire it to our guests for holidays during your Park's holiday season dates (other than any dates you have identified as Owner Hire Dates). In return, we agree to pay you the Owner Income (see Your Owner Income and Invoicing below).

Letting Period

As a minimum, unless otherwise agreed in writing with us, you must make your Holiday Home available for at least 10 full weeks. 5 of the weeks must be during peak season school holidays with 3 of these peak weeks in the summer. What is a peak week and what is a non-peak week is specified on the 2023 Let Coastfields Agreement Form. There is no additional minimum requirement for the Scheme.

If you join either Scheme after 8th April 2023, the minimum period you must make your Holiday Home available under the Scheme are set out below

If you join the Scheme from the following dates	08 Apr	27 May	24 Jun	22 Jul	29 Jul	5 Aug	12 Aug	19 Aug	26 Aug	30 Aug
You must make your Holiday Home available to us for a minimum of the following weeks under the Scheme:	9	8	7	6	5	4	4	4	4	2
Of these, the minimum number of Peak weeks you must make your Holiday Home available to us is:	5	4	4	3	2	2	1	1	1	1
Of these, the minimum number of Summer Peak weeks you must make your Holiday Home available to us is:	3	3	3	3	2	2	1	1	0	0

If your Holiday Home has already been accepted onto the Scheme and you do not make your Holiday Home available for the relevant minimum period and at the times set out above we can remove your Holiday Home from the Scheme and move any Bookings already made for your Holiday Home.

Whilst we appreciate that school holiday dates vary across the UK, our decision on the dates of school holidays as shown on the 2023 Let Coastfields Agreement Form is final.

If you part-exchange your Holiday Home during the Letting Period you will need to end this agreement (see Ending this Agreement). If you want to continue on the Scheme for that Letting Period you will need to reapply to the Scheme for your new holiday home. If you reapply we will take into account Dates you have provided under the agreement which has ended when calculating the minimum period you must make your Holiday Home available. Where there are future Bookings that were made prior to the part-exchange, you may still need to honor those Bookings in your new holiday home if we are unable to move them. In these circumstances the Owner Income for these Bookings will be based on the category of your previous holiday home.

You must notify us if you would like to change your Owner Hire Dates. If you have made your Holiday Home available for more than the minimum period specified above and there is no Booking on the date you request, we will honor your request. However, if there is already a Booking on the date you request, your request will be declined. You must give us as much notice as possible if you would like to add more Owner Hire Dates. If your request means you would not be making your Holiday Home available for the minimum period for the Scheme, your request will be declined. Where we allow you to amend your Owner Hire Dates, we will reserve your Holiday Home for your own use and we will confirm this to you in writing by either email or letter. Please check your confirmation and make sure all details are correct.

To request to change your Owner Hire Dates, update your details, make a booking or view your account please contact the Let Coastfields Team: Call: 01754 872592 Option 1, email: letcoastfields@coastfields.co.uk

What standards must my Holiday Home meet to join a Scheme?

- We will measure your Holiday Home against the criteria on the Coastfields Leisure website based on the following:
- The size of your Holiday Home;
 - The condition of your Holiday Home;
 - The age of your Holiday Home; and
 - Facilities in your Holiday Home.

A Holiday Home must match a hire fleet category on Park, have double glazing and central heating, be no older than the hire fleet at the park and, in any event, no older than 10 years (2012). We may consider older Holiday Homes to be part of the Scheme if we consider them to be of a high standard, however we are under no obligation to do so.

We will meet with you to inspect your Holiday Home to confirm which of our hire fleet categories your Holiday Home falls into. During the meeting we will also advise you of any work you must undertake to your Holiday Home or any additional inventory you require before your Holiday Home can be accepted onto either Scheme.

Your Holiday Home must maintain the standards with which it was categorised when you joined the Scheme throughout the Letting Period. If it does not, we may re-categorise your Holiday Home or remove your Holiday Home from the Scheme. This could result in charges being applied to your Owner Account for our loss of earnings where a Booking cannot be completed. We would contact you to notify you of this. We will undertake checks throughout the Letting Period to ensure your Holiday Home continues to meet the standards with which it was categorised when you joined the Scheme, including taking into account any guest feedback. We may use third party companies to gather guest feedback regarding their stay in your holiday accommodation. You must complete the minimum safety checks on your Holiday Home as set out below to be accepted onto the Scheme.

We will carry out such maintenance and inventory replacements to your Holiday Home as we consider necessary during the Letting Period and charge the relevant costs to your Owner Account. If any individual maintenance or inventory replacements will cost over £100 we will agree this with you before the work is done. The only exception to this is where works have to be done immediately to ensure the health and safety of the occupants or we need to replace essential inventory items prior to a Booking, however we will attempt to notify you of any such exceptional works and/or inventory items and their cost as soon as reasonably practicable. Please note this is not the total cost of any works during the Letting Period, but the cost of any individual maintenance job or inventory replacement. All such maintenance and inventory replacement costs should be paid in accordance with our payment terms.

Let Coastfields Scheme Terms and Conditions Continued

Your obligations

Keys

Three sets of labelled keys for your Holiday Home should be handed to the Owner and Guest Experience Manager at Park as soon as reasonably practicable, and at least 4 weeks before the first Date.

TV License

Your Holiday Home must have a valid TV license for a full calendar year. For help visit www.tvlicensing.co.uk.

Safety Checks

You must:

- provide us with copies of satisfactory gas and electrical testing certificates by a competent person for your Holiday Home and evidence of portable appliance testing. Gas and portable appliances must be inspected at least once a year and Holiday Home electricals inspected every 3 years;
- check the connecting gas hose and gas pigtail is within its expiry date or within five years of the date printed on the hose;
- have a working fire extinguisher that is inspected annually. We will require proof of this annual inspection;
- have a smoke detector and a carbon monoxide detector within their expiry date;
- ensure the steps and any decking are in a good and safe condition;
- ensure all soft furnishings within the holiday home are compliant with fire and product safety law and have not been replaced or substituted with non-compliant items;
- ensure all doors of your Holiday Home are fitted with a turn lock; and
- ensure the shower head is sterilised at least annually.

Appliances must be inspected in accordance with our guidelines, as set out in park rules and/ or your pitch license agreement. Details of the testing required are available from the park and inspection certificates will be held on Park. We will charge for any inspection or testing you ask us to organise or undertake on your behalf. Such charges are payable in accordance with our payment terms. The team on Park will be able to explain the costs of such inspection / testing. Gas bottles must be stored outside your Holiday Home in an adequately ventilated, non- combustible area.

Hot Tubs

If you have a hot tub at your Holiday Home, you agree that we will complete all hot tub cleaning, maintenance and inspection services for you. This is to ensure your hot tub is maintained to the same standard as our hire fleet and is safe for our guests. Charges for hot tub maintenance will be billed to your Owner Account on a quarterly basis. For details of these charges please speak to the team on Park. Cleaning, maintenance and inspection services include:

- ensuring appropriate signage is in place;
- changing water before every Booking or weekly, whichever is sooner;
- cleaning the cover and steps prior to every Booking;
- wiping the water line and areas above the waterline prior to every booking;
- cleaning the filter weekly or prior to the start of a Booking, whichever is sooner;
- dosing the water with the appropriate chemicals;
- ensuring the hot tub is fully operational, carrying out minor repairs where necessary;
- twice daily checks of the hot tub to ensure chemical levels remain acceptable and taking any remedial action required;
- monthly disinfection of all flexible hoses and internal pipework;
- monthly microbiological testing;
- quarterly legionella testing; and
- annual electrical test.

Appearance

All Holiday Homes must be clean and presentable internally and externally and meet the standards set out on our website. We may need to charge you for cleaning your Holiday Home after you have used it should it not meet these standards.

Contents of your Holiday Home

You must make sure that your Holiday Home is fully equipped for the maximum number of people it sleeps. Your Holiday Home must contain all the items set out in the inventory check list which you can get from the Park.

We will replace any inventory that may get lost or broken. The replacement item will be from our standard inventory and therefore may not be the same as the lost or broken item. The cost will be charged back to your Owner Account and will be payable in accordance with our payment terms. You will be notified should any individual replacement item cost over £100 and we will agree the replacement with you before it is carried out.

Personal Belongings

Your Holiday Home must be cleared of all belongings and be ready to let as soon as reasonably practicable and in any event at least 7 days before the first Date in the Letting Period to allow us to carry out all the checks we need to do before it is occupied by our guests.

If we need to clear your personal belongings from your Holiday Home, the cost of this will be charged back to your Owner Account. You must collect them as soon as reasonably practicable. Your personal belongings cannot be stored on Park for the Letting Period. We

will assume that all non-inventory items left in your Holiday Home have been left by guests and deal with them accordingly.

Availability

When you use your Holiday Home you must make sure that it is vacant by no later than 10am on any Date we have a Booking. This is to allow us to clean and check your Holiday Home for our guests. It is your responsibility to ensure your Holiday Home is left clean and in a Satisfactory Condition following any Owner Hire Dates.

You will be able to use your Holiday Home from 4pm on the day that a Booking ends. This is so that we can make sure your Holiday Home has been cleaned ready for your arrival. If you don't leave your Holiday Home by 10am on the date a Booking starts, or if your Holiday Home is occupied by someone other than our guests on a date we have a Booking for your Holiday Home, we will charge the full value of the Booking back to your Owner Account plus any other costs that we incur as a result of your failure to vacate your Holiday Home including for example refunds or compensation to our guests if we have to cancel a guest's holiday.

Your Owner Account

For your Holiday Home to be accepted as part of a Scheme your Owner Account must have no overdue debt. If you do owe us any money, please contact us to discuss this.

If you owe us any money after acceptance on to the Scheme and do not agree arrangements for payment with us, we may remove your Holiday Home from the Scheme and any Bookings already made for your Holiday Home may be moved, either temporarily or permanently. We may allocate your Owner Income against any debt on your Owner Account before paying any remaining Owner Income to you.

Indemnity

You agree to indemnify us for any loss or expense we suffer arising or in connection with you breaching this agreement or any act or omission by you. This means that you agree to cover any loss or expense we incur from letting your Holiday Home.

Smoking and Pets

Smoking is not allowed in your Holiday Home at any time while your Holiday Home is part of the Scheme.

If you have your own pet which comes into your Holiday Home or you allow other pets in your Holiday Home you must tick the opt in box on the 2023 Owners' Holiday Home Sign-Up Form to confirm that pets are welcome in your Holiday Home. We will then let your Holiday Home as 'pet friendly accommodation'. This is important because some of our guests want accommodation which does not contain any pet hair or are allergic to pet hair.

If you have your own pet you must ensure you remove all personal pet possessions including dog beds following any Owner Hire Dates. If you do smoke or allow smoking in your Holiday Home or if you do not tick the opt in box but have allowed pets in your Holiday Home you will be responsible for any loss or expenses we incur as a result of this (including the cost of a deep clean and compensating our guests). Your Holiday Home may also be removed from the Scheme and if this happens this agreement will come to an end.

Registered assistance pets like guide dogs are permitted in all accommodation.

Insurance

You must take out adequate insurance to cover loss and damage and public liability insurance for at least £5 million and these insurance policies must be maintained for all the time you are participating in the Scheme. If at any time during the Letting Period your Holiday Home is not insured we will bring this agreement to an end immediately.

To ensure that your Holiday Home is adequately covered please see 'Insuring your Holiday Home' within the letting schemes pack (hard copy or email). Further details of our insurance scheme is available from your Holiday Home Sales Team on Park and our insurance broker, Gallagher.

Please make sure that you take out insurance cover for your Holiday Home for the following year at least a week before your insurance renewal date and provide evidence of your insurance cover to our Let Coastfields Team straight away. If we do not have evidence of insurance cover for your Holiday Home at least a week before the renewal date we will assume your Holiday Home(s) will not be insured and will start moving Bookings from your Holiday Home. Once Bookings have been moved we will not move them back. Please therefore deal with your insurance as promptly as possible.

If you are removed from the Scheme for failing to meet the insurance requirements you will receive Owner Income for Bookings where your Holiday Home has been occupied by our guests up to the date your Holiday Home has been removed from the Scheme. Your Owner Income will be calculated under the terms of the Let Coastfields Scheme. You will not be able to re-join the Scheme until your Holiday Home is insured and it is our decision about whether you can re-join.

Damage to your Holiday Home

Unfortunately from time to time loss or damage to your Holiday Home and contents may occur. This is your responsibility to deal with and is why it is extremely important that you have insurance. You agree that we are not liable for any loss or damage caused to your Holiday Home or its contents arising under or in connection with this agreement.

If there is any major loss or damage to your Holiday Home we will use all reasonable efforts to contact you and agree how this will be remedied.

Our obligation to pay you the Owner Income relating to Dates under the Scheme is subject to your Holiday Home being in Satisfactory Condition on the applicable Dates, unless the reason your Holiday Home is not in Satisfactory Condition is directly caused by our act or omission.

What we do for you

Promotions and Advertising

We will promote and advertise your Holiday Home through various marketing channels throughout the 2023 season using our own images of your Holiday Home or a representative image. We will not use any other images.

You agree that we can include your Holiday Home in our various promotional campaigns for example early booking discounts, online discounts, staff discounts and newspaper promotions. We regularly review market trading patterns and will operate promotions or campaigns where we think it necessary to increase the volume of holiday guests.

Pricing

We regularly review our prices in line with demand. This may mean that the price at which your Holiday Home is hired under the Scheme is less than the price in any direct marketing or on our or website. The price could also be higher during increased demand periods. Our decision on pricing is final.

Bookings

We do not guarantee that we will make your Holiday Home available for hire on any or all Dates during the Letting Period. At some times, for example periods of low demand, we may not make available and / or promote your Holiday Home for letting. All Bookings are subject to cancellations and transfers and are not therefore guaranteed.

Opening and Closing Dates

We will let you know Park opening and closing dates at the start of the holiday season in the Scheme information pack. Any amendments to opening and closing dates will, of course, be communicated to you.

Correspondence & Administration

We will carry out all correspondence with holiday guests and general administration duties for all Bookings during the Letting Period.

Payments

We will collect payments due from holiday guests in relation to their Booking of your Holiday Home.

Cleaning

We will clean your Holiday Home following each Booking and provide a full laundry service for bed linen and towels where this is included in the Bookings. Before peak season, your Holiday Home may require a deep clean. If we think a deep clean of your Holiday Home is needed we will complete this and charge it to your Owner Account which should be paid in accordance with our payment terms. It is your responsibility to ensure that your Holiday Home is left clean and in a Satisfactory Condition following any Owner Hire Dates. If your Holiday Home requires any further cleaning after an Owner Hire Date and before a Booking, we will charge you for any costs we incur as result of your failure to leave your Holiday Home in a Satisfactory Condition, including for example any additional cleaning costs or compensation to our guests if there is any delay to them checking into the Holiday Home. These costs should be paid in accordance with our payment terms.

Gas bottles

We will replace any gas bottles when empty and these will be charged to your Owner Account at the then current rate.

Your Owner Income & Invoicing

Our obligation to pay you the Owner Income shall not apply in relation to any period that the Park is closed (regardless of the reason for the closure).

We will only pay you for Dates when our guests stay at your Holiday Home. Bookings are subject to cancellation or transfer and you will not be paid where a Booking is cancelled or transferred. We do not guarantee any minimum amount of Owner Income under the Scheme. Owner Income under the Scheme is subject to usage. As set out in these terms items such as maintenance and inventory replacements will be charged to your Owner Account and should be paid by you in accordance with our payment terms. Our payment terms are 14 days from date of invoice. Utilities and pitch fees will be set off against your Owner Income from the Scheme. The

prices in our direct marketing, website etc. include VAT. If there is a change to the law which applies to the charging of VAT we reserve the right to change the percentage of the Holiday Home Tariff paid to you so that the total amount we receive after accounting for VAT is the same as it was before the change.

On or before 30th November 2023 we will credit your Owner Income to your Owner Account for Bookings before 14th November 2023 and we will debit your Owner Account with the 2023 pitch fees (unless you have notified us that you are terminating your pitch license agreement and will be removing your Holiday Home from the Park before the start of the 2023 season). If your account is in credit after debiting your 2023 pitch fees and paying any other debt owed to us on your Owner Account we will pay you the balance. If there is an outstanding balance due from you on your Owner Account after we have offset your Owner Income against your 2023 pitch fees and any other debt due to us we will write to you setting out the payment options for the amount due.

Owner income from holiday arrivals between 14th November 2023 and 3rd January 2024(including festive Bookings) will be credited to your Owner Account on or before 14th January 2023. If you are VAT registered, your Owner Income will be inclusive of VAT. If you are a non-resident landlord (see Tax section below), your Owner Income will be paid after deduction of withholding tax.

Payment of any monies owed to you will be made by BACS transfer and you must ensure that we have the details of the bank account you want this to be paid to. Please note, payment of any Owner Income will be made in a single payment only and so where you are joint owners, you will need to nominate a single bank account for us to make payment to.

Financed Holiday Homes

If your Holiday Home is repossessed, we may retain any amount we owe you to cover any amount you owe us.

Ending this Agreement

We can end this agreement at any time if you don't comply with the terms of this agreement or if, after 14 days' notice you don't pay us any sums due to us whether under this agreement or otherwise.

If you want to withdraw from the Scheme for any reason and end this agreement you must give us at least 6 weeks' written notice (by email to letcoastfields@coastfields.co.uk, or by letter to Let Coastfields Team, Coastfields Leisure Limited, North Shore Holiody Park, Elmhirst Avenue, Skegness PE25 1SL. Please ensure you also follow this procedure if you sell your Holiday Home (either privately or to us) or part-exchange it. After receiving your letter or email we will remove your Holiday Home from the Scheme and we will not accept any further Bookings for your Holiday Home. If Bookings have been taken for your Holiday Home before it is removed from the Scheme and we are unable to offer alternative accommodation for our guests you must honor any Bookings made before you told us about the removal of your Holiday Home from the Scheme. If you do not honor any Bookings or you sell your Holiday Home prior to the date of any Booking we will charge the full value of the Booking to your Owner Account plus any other costs that we incur, for example refunds or compensation to our guests if we have to cancel a guest's holiday. We will pay you for Bookings where your Holiday Home has been occupied by our guests up to the date you leave the scheme.

Tax

Your income is subject to UK income tax and should be declared to HM Revenue & Customs (HMRC) via your personal self-assessment tax return. If you are unsure of your UK tax position you should seek your own tax advice.

Keeping your information safe

The information you give us in connection with the scheme is held by us (as a data controller) in accordance with the Data Protection Act 2018 and the EU General Data Protection Regulation 2016 (as applicable). We use this information to help us administer the Scheme, to provide and improve our service to you and to provide you with information about our holidays and holiday homes. This includes data analytics to help improve our services to our customers. We may disclose this information to our agents, contractors, insurers and insurance brokers and their advisers, and to others if we are legally required to do so, or where we believe it is necessary to protect our or another person's rights, property or safety. Where you make an enquiry or purchase with us, we will process your data for marketing purposes. If you do not want us to send marketing information about our holidays or holiday homes please contact us using the telephone number or address below. Alternatively, you can email us at info@coastfieldsleisureltd.co.uk. We use CCTV and Automatic Number Plate Recognition cameras at some locations at our holiday parks for crime prevention, safety and legislative compliance reasons and telephone calls may be recorded for training and monitoring purposes. For further information on how we process your personal data please see our privacy policy available on our website.
